## Corruption of the Ballot

The grand jury of Floyd county, Ky., under the inspiring leadership of Commonwealth's Attorney W. H. May is showing what can be done to enforce the law against vote selling. During the last three days of the recent term of court they indicted over two hundred voters. At the June term the probe will be continued if the grand jury is of the same mind as the commonwealth's Attorney. The fine is a penalty of \$50 to \$100, imprisonment in the county jail from ten to 90 days, and disfranchisement. Judge Blain of Adams county stated this movement and it is to be hoped it will sweep over the nation. Vote selling is one of the darkest crimes against liberty. The elective franchise is the foundation of free government. To barter this away is to sell one's liberty. Our free institutions cannot endure with a corrupt ballot. The man who sells his vote is a traitor to his country. He imperils the freedom of every citizen. He is a public enemy. He is an outlaw, a criminal, and deserves the extreme penalty of the law. All honor to W. H. May who is leading this fight in Kentucky, let every commonwealth's attorney in the state follow suit and every circuit judge back these men with all the power of his high office. The enforcement of law is the only safeguard to life, liberty or property. If this great evil is not checked the free institutions will soon be a thing of the past. It behooves every patriot to throw the whole weight of his influence against this great evil. J. J. DICKEY.

## PREACHERSVILLE

Mrs. Mary Anderson aged 67 years and four days, died Thursday at her home near Ottenheim, after a long illness of heart trouble and other complications. She is survived by her husband, Daniel Anderson, and six children, all grown. They are Mrs. Nanrie Pitman, of near Pine Grove, William Anderson, of near Lynwood, Mrs. August Bartels, of near Preachersville, Mrs. Frances Turnbull, of Depew, Oklahoma, Mrs. N. H. Plummer, Cedar Creek, and Walter Anderson, of Hedgeville. Twenty-seven grandchildren and one great-grand child are also left to mourn her loss. She was a member of the Christian Church, and her neighbors with one accord say she was a good neighbor always ready and willing to visit the sick. Her death is deplored and she will be sadly missed. Her mortal remains were laid to rest in the Baptist church yard at Ephesus, after services by Bro. James Dison and J. C. McWhorter. April 2nd was her birthday, and all of her children were present excepting two. Her husband who is 71, has lived in the same house all his long life, and in sight of where he was borne. He will now make his home amongst his children.

Miss Fannie Carpenter visited Mrs. Phil B. Thompson.

Mr. Harvey Hignite went fishing with a crowd last week and caught—wet feet! It is not known what he said but no doubt it was something funny.

While at the sale of W. R. Dillon we heard several of the friends of Mr. P. E. Parrish say they hoped he could be induced to make the race for judge.

Mr. P. is a mighty nice gentleman, an excellent neighbor, and would be a hard candidate to beat if he should enter the race. He has been a resident of this community ever since the writer can remember.

Mr. McNamee Elmore has returned home and his many friends are very glad to see him back again.

Rev. E. B. Thornton delivered a good sermon Sunday evening. Rev. Anderson Cornelius was in the pulpit in the morning. Good sermons.

Mr. and Mrs. William Mahan and Rev. and Mrs. Brummett of Lancaster were here Sunday.

Junction City April 10.

The marriage of Mr. A. B. C. Dinwiddie and Miss Jennie D. Helm, daughter of Mr. C. B. Helm, of this city was solemnized at the Christian church in this place at 3 o'clock Wednesday afternoon. Rev. Wyatt Montgomery, of Moreland uniting the couple in a beautiful and impressive ceremony.

The church was handsomely decorated with flowers and evergreens and the couple stood under a bell made of flowers while the service was being said. Previous to the ceremony Miss Willie Burton Logsdon sang a "Melody of Love" in a charming manner. Miss Ruth Keene presided at the piano in a very pleasing manner, playing, first "Humoresque" by Dvorak and "Hearis and Flowers".

The bride entered the church on the arm of her brother, Mr. Marcus Helm, of Danville, while the groom was supported by the arm of his best man, Mr. Blaine Drye. The two met at the altar where the ceremony was performed. Miss Martha Lewis, of Bradfordville, was ring bearer, carrying the ring up the aisle she gave it to the minister, who, in turn, gave it to the groom, he placing it on the finger of the bride. Miss Helm wore an empire gown, of marquisette over white liberty satin. Her going away gown was of grey cloth. The groom was attired in conventional black.

## STANFORD WINS THE FIRST GAME

TEAM FROM SCHOOL FOR DEAF DEFEATED BY 2 TO 1 IN FAST BALL GAME

The Stanford High School baseball team got off in the lead for the season with flying colors, annexing the first game played this year on the local grounds Monday afternoon by the light score of 2 to 1 to which time—the same as the opener last year—the nine from the Kentucky School for the Deaf at Danville went down to defeat.

The closeness of the score kept the contest interesting at all stages and although our noble athletes got off in the lead and kept their noses in front throughout the entire session, some ragged misplays at critical stages, seemed likely to undo their otherwise heroic efforts. Only the most artistic twirling of Wesley Embury pulled his teammates out of several dark and dangerous looking holes. This young slacker performed the phenomenal feat of striking out a total of 17 of the opposing batsmen, and held them to only a quarter of hits. Going some for this time of the year and the first game of the season. He had speed and control and kept the visitors wondering throughout the entire contest.

Coach Bohannon has gone fine work with the local lads in the time that he has had to work them, rain and cold weather interfered greatly with their practice. Another week's hard work should make them look like a different team.

A big crowd was out to see the opener of the season notwithstanding the counter attraction of the horse show in town. The fence around the park was proven a great blessing and the receipts far exceed the expenses of the game, and will help to defray the cost of bringing the coach here and outfitting the club.

Capt. Meunier has a mighty fast bunch of players on his club this season, and they put up a classy article of ball. They went to the bat first and the home boys got into the hole at once. Before Embury settled down to his knitting he had passed Meunier to first. After Napier had dropped a long fly to Hill, Embury smashed Elkins in the ribs and Meunier went to second and promptly pilfered third, the double steal being worked by himself and Solkins. Here Embury pitched up however. With only one out and two men on base he fanned Jasper and Vogletti could not do no better than pop up a little fly to McCarty at first, while he neatly smuggled.

It took an inning for our boys to settle down, as the first two men up in the last of the first whiffed, three times each. McCarty waited out and got a free pass to first but died on Coleman's easy grounder to the same place.

For the visitors Carman led off in the second with a scorcher over second base way out of reach of Bright who was playing in toward first. After that there was nothing more doing however. With only one out and two men on base he fanned Jasper and Vogletti could not do no better than pop up a little fly to McCarty at first, while he neatly smuggled.

Stanford made her first score in the fourth. McCarty was out on easy bouncer to second, but Coleman shot a hot one to first which Rosson fumbled, and the big boy was safe. He promptly burglarized the next two stations, and loped home easily when Penny smashed out a sizzler over the Keystone bag. Penny executed two daring thefts in quick succession and was prancing on third himself when Bright shot one at Munier who gobbled it up in jig time.

Munier hit with two out in the fifth, but it did him no good for Embury whiffed Napier, and our lads went out in straight order in their half of the round.

With Elkin and Jasper down, Vogletti got on by surprising Coleman greatly with a line drive. Coley let it through his hands as if it was mighty hot. Carman singled to left and sent Carman to second but again Embury, fished the works and herefore batted the wind thrice, ending the round.

Dozier who had fanned, twice, laid down a beautiful bunt along the third base line, when he came to bat in the last of the sixth, and beat it out. He stole second without trouble, but passed away on third.

The visitors failed to chalk in their half of the seventh, but Stanford gathered one more. Penny lead off with a hard one against the school house in right field. Stealing second was easy. Bright sacrificed to third and he came in on Hill's drive over second hill was thrown out trying to steal second however. Embury got a gift and tried to circle home on Waters' drive to right, but fast relaying caught him at the plate.

The visitors' only score was a gift to them in the eighth. Napier and Elkins both fanned, and Embury fanned and Jasper in the last of the eighth and Jasper ran to second and

third while he was getting it coming home the next instant when Bright let Vogletti's easy grounder go through his legs. The visitors couldn't get another over however for Coleman drove one to Embury who got him easy. It looked a trifle dangerous again in the ninth. Hereford fanned but Rosson got four wide ones. Orndorff also bucked but the old reliable Meunier sent a pretty single to center, but with two men on Elkin's popped to Coleman who juggled the ball a few minutes, and seemed on the verge of dropping it before he finally got a strangle hold on it and ended the misery. The score:

DEMOCRATIC TICKET.

For Circuit Judge.  
MON. CHARLES A. HARDIN.  
of Harrods County

Col. Walton and several other state papers have asked Senator McCreary to make his platform of principles more definite. Why don't they suggest what they want? He declared himself as heartily favoring the good roads movement. Do they think he has at his finger's tips the one solution of the good roads' proposition for the state of Kentucky? Several legislatures have considered this problem, but none of them has yet been able to devise a good roads legislative system which seemed to suit the people or those who have been heartiest in favor of state aid for good roads. McCreary said he favored a revision of the state's taxing system so as to place it on a fairer and more equal basis.

Again, do his critics think he has the ramifications of a new tax law already mapped out to hand to the legislature immediately he is inducted into office? A number of "experts" at Louisville have been figuring on this matter for several years, and haven't been able to draw a bill yet which suited the legislature or convinced the country people that they were scheming otherwise than to put over a law that would enable the "interests" and corporations to hide more of their taxable property. Then look at the question of school improvement which the Madison man endorses most heartily. Who can say off-hand just what steps should be taken to put Kentucky educational ly in the forefront where she belongs more than is being done under the present laws, which many find fault with, yet have been changed repeatedly recently in the hope of bettering things.

What do these so-called progressives want? Would they have McCreary declare for woman suffrage, the initiative, referendum and recall? Personally, we would like to see these last three true democratic principles in the platform of every candidate seeking office in the country today, but

we too well realize that the time is hardly ripe for their injection yet. The people are not well enough educated as to their advantages and possibilities, and we fear they would be considered too radical as yet. They're coming however and it won't be long until they will be recognized and accepted as the only system of government which takes the power away from the corrupt bosses and places where it belongs in the hands of the people themselves.

McCreary reiterated his position in regard to that great democratic plank, the election of United States senators by direct vote of the people, and went on record as favoring the direct primary system for the nomination of candidates, which really goes hand in hand with those other progressive measures the initiative, referendum and recall.

To our mind the man who will be the democratic candidate for governor has expressed himself well on the matters at issue. He believes that it would be wise for the democratic party to hold a convention after the primary to announce a platform or principles. In other words he is willing to accept the dictum of his party as to what it desires to go before the people as advocating, suggesting meanwhile his enlistment in the fight for better things for Kentucky. And no matter what platform might be adopted for him to stand upon, the deep and abiding confidence which the people of Kentucky have in the ability, integrity and faithfulness of James B. McCreary will mean more votes for him when election time rolls around than all the hosts of high-sounding phrases which his opponent may gather against him. Just think of what Willson said—and then look at what he's done.

W. E. Bidwell, Secretary of the State Racing Commission is writing letters to papers highly eulogistic of Judge O'Rear. But the Judge had better look a leetle out in picking his press agent. "Bid" is the correspondent who filled the republican papers full of boasts for Governor Willson before his election, and we don't believe the people have so soon forgotten the old gold brick he handed them that time.

The negroes are said to be solid against O'Rear for governor because he wrote the opinion of the Court of Appeals which turned colored pupils out of Berea College.

## CHANGE IN WOMAN'S LIFE

Made Safe by Lydia E. Pinkham's Vegetable Compound.

Graniteville, Vt. -- "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."--Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing woman's ills such as inflammation, ulceration, fibroid tumors, irregularities, periodic pains and nervous prostration, and it is unequalled for carrying women safely through the period of change of life.

Bay stallion 15-3 hands, foaled summer 1902, said by good judges to be one of the finest stallions living. He is a perfect image of his great sire, Chester Dare 10. Mr. J. C. Graves, who raised and showed Chester Dare 10, says it is almost impossible for two horses to be more alike than Garrard Chief 1835 and Chester Dare 10. Col. W. A. Barriger of Shelbyville, Ky., has judged this horse at the Texas State Fair several times says he is as fine a horse as he ever saw. Garrard Chief won the championship of the South West at Dallas in 1908, 1909, 1910 and during that time his colts won more than any other herd shown there in saddle classes. At Fort Worth Horse Show in March 1910 Garrard Chief won first in breeding for saddle stallions and age over 15 good ones, he also won at same first for five-gaited saddle stallion mare or gelding. ## **A Guarantee To Rheumatics**

Treatment of Rheumatism Revolutionized by Simple Remedy Which is Absolutely Guaranteed.

Startling new features are presented in the new remedy called D-M-F, which has lately been the subject of wide attention among those afflicted with rheumatism and lumbago, gout and neuralgia. Physicians, too, have given this remedy an approval which

has never been accorded to other rheumatic treatments. Dr. C. W. Bacon, prominent in Oklahoma and the Southwest for his success in the treatment of rheumatism, states that he is willing to stake his professional reputation on the fact that D-M-F will cure even so-called incurable cases. D-M-F has produced results almost unbelievable. Not only for fresh, new cases, but also for long chronic and serious cases has it proved one of the most remarkable remedies ever produced. It has the unique feature of "signaling" to the patient by means of peculiar symptoms, the progress of uric acid elimination.

C. H. Fange, of Warsaw, N. Y., says: "I had rheumatism about seven years. I started D-M-F, and by George, inside of six weeks, I was cured." C. T. Watkins, also of Warsaw, N. Y., says: "I suffered with terrible rheumatism for five years, all crippled up for days at a time. I began taking D-M-F and felt an improvement within two days, and two bottles cured me. My case was a hard one."

D-M-F is guaranteed as to results. Many of the most terrible cases imaginable have been quickly conquered by its peculiar, powerful, yet safe action, in two or three weeks.

D-M-F is absolutely free from opium or dangerous drugs. Read about its wonderful action in the circular packed in every D-M-F carton. Read the guarantee. Get D-M-F at your druggist's at \$1.00 a bottle. If you are satisfied with it as you will be, get 6 bottles for \$5.00, and get rid of your affliction. If your druggist can not supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 2715 Lincoln Ave., Chicago, Ill. The first bottle will contain every sufferer.

## **SUNDAY SCHOOL.**

Lesson III.—Second Quarter, For April 16, 1911.

### **THE INTERNATIONAL SERIES.**

Text of the Lesson, John xx, 1-18. Memory Verses, 15, 16—Golden Text, Luke xlv, 24—Commentary Prepared by Rev. D. M. Stearns.

We have the choice this week of a lesson on Jesus, the boy king, or a resurrection lesson, and as next week we shall have another lesson on Jesus we choose the Easter lesson for this week. The resurrection of Jesus from the dead is in many respects the greatest event in the Scriptures, for if Christ be not risen preaching is vain, faith is vain, there is no forgiveness of sins, and no one is saved (1 Cor. xv, 14, 17, 18).

The great resurrection includes His perfect life in a mortal body, His death in our stead bearing our sins, His resurrection from the dead, all of which may be included in the saying, "The precious blood of Christ" (1 Pet. i, 19). At present, as our great high priest, He is at the right hand of God, for us, and He will come again to receive His body, the church, and to set up His kingdom of peace and righteousness on this earth.

That the Messiah of Israel, the great King, should be a man, was plainly foretold in Gen. iii, 15; Deut. xxi, 18; Isa. ix, 6, 7, and many other places. What He should be a man from the dead, an immortal man, was also foretold in Gen. iii, 15; II Sam. vii, 16; Isa. ix, 7; Mt. 16, 11; Ps. xvi, 10; xxiii, 26, 28, and elsewhere, and foretold in Isaac, and Joseph and Jesus as well as in the two birds of Lev. xiv and the two goats of Lev. xvi.

When He was on earth in His humiliation He repeatedly foretold His death and resurrection in such passages as John vi, 16-21; Matt. xii, 40; xvi, 28; xviii, 28; xx, 19; xxvi, 32, and yet even His own disciples did not understand it, for in verse 9 of our lesson we read that even Peter and John "knew not the Scripture that He must rise again from the dead." He said to the two with whom He walked to Emmaus, who were so cast down because of His death, and so disappointed because He had not redeemed Israel, "O fools, and slow of heart to believe all that the prophets have spoken." He also said to the disciples in the upper room that same evening, "All things must be fulfilled which were written in the law of Moses and in the prophets and in the psalms concerning me" (Luke xxiv, 26, 44).

He appeared at least ten times to one or more of His disciples during those forty days between His resurrection and ascension from Olivet, five times on the first day, and our lesson tells of His first appearance, and that was to Mary Magdalene (Mark xvi, 9). We do not find that Mary of Bethany was with the other women at the tomb on the resurrection morning, for she seems to have believed what He had said about His death and resurrection, and she anointed Him before-hand for His burial (Matt. xxvi, 12; Mark xvi, 9). The purchase of spices by the other women was an act of love, but not of faith, for had they believed that He would rise again they would not have purchased spices with which to anoint His dead body.

As soon as Mary Magdalene saw that the stone was rolled away from the sepulcher she ran back to tell Peter and John, and they both ran to the tomb, and both went in, Peter going first, and saw the linen clothes evidently as when His body had been in them, and the napkin that was about His head wrapped together in a place by itself, and they believed that He was risen and went away again to their own home. Mary, having returned to the tomb, remained and was so intent upon finding the body of her Lord that she had no eyes even for angels, and when Jesus Himself spoke to her she supposed Him to be the gardener, she blinding is unbelieving grief.

Not until He called her by name did she recognize Him. One of the precious words of the Spirit to my soul is found in Isa. xlii, 1, "Fear not, for I have redeemed thee. I have called thee by thy name; thou art mine." How wondrously gracious of our Lord to appear to Mary and speak to her while on His way to His Father (verse 17), and how wondrous His words to her, and through her to us, "My Father and your Father, my God and your God."

If we would only believe fully that He has made us one with Himself, a part of Himself, children of God and joint heirs with Himself, it does seem as if our lives would declare that Jesus lives.

Note the disciples with which He greeted the disciples that evening and also a week later, "Peace be unto you" (verses 19, 21, 26), and remember John xiv, 27; Jer. xlii, 11. See Him asking them to handle Him and to thrust the hand into His side and see Him eating broiled fish and honeycomb before them that they might see the reality of His resurrection body (Luke xxiv, 30-43; John xx, 27). Hear His word to Thomas and to us, "Be not faithless, but believing. . . . Blessed are they that have not seen and yet have believed" (John xx, 27, 29). Then lay to heart His words to them and to us, "As my Father hath sent me, even so send I you" (verse 21), and may we be such Spirit filled believers in all that is written that we shall in all things glorify Him.

## **LOST APPETITE AND HOPE**

Magister Cold Caused Complication, Promptly Restored by Peruna.

Mrs. Rosa Boyer, 1421 Sherman Ave., Evanston, Ill., writes: "If any one has reason to praise Peruna it is surely myself. Last spring I became so run down from the serious effects of a lingering cold, that several complications united in pulling me down. I could neither eat nor sleep well, and lost all flesh and spirit. I am a fully tried Peruna and it did wonders for me. In two weeks I was like another person, and in a month I felt better than I ever had before."

## **Don Varrick**

This magnificent bred young stallion will make the season of 1911 at my stable near Stanford, Ky., on the Shelby City pike at \$15 to insure a living colt. Don Varrick is 15-2 hands a beautiful chestnut, short back heavy bone in fact the highest type of the trotter and perfect disposition. He is by the great Onward Silver 2:05 1/4, that won the \$5,000 Transylvania in a seven heat race in 1902 and the same year won the \$10,000 Bonner Memorial and the M. and M. all in broken heats and acid for \$21,000 and later for \$25,000. Don Varrick L. bred exactly like Spanish Queen that won the \$5,000 Transylvania in 1908 making a record of 2:07 and was classed as one of the four, being one of the greatest money winners on the grand circuit in 1908.

Onward Silver is by Onward, one of the greatest and best sons of George Wilkes Onward's dam was two dam of Directer, the sire of that great family of trotters and pacers. Don Varrick's 1st dam was by Wilkes Boy, by George Wilkes a full sister to The Way 2:15 1/4 and half sister to Madeline Patch on the dam of Rubber 2:10, Winchester 2:19 3/4, Billy Wilton 2:20, and Miss R. 2:30 2nd dam Mary by Rogge's Grey Eagle the dam of The Way and Madeline Patchen.

Don Varrick's dam produced Dr. Conner, that placed a public half mile on the Lexington track at 16 months in 1:08 3/4 and sold to N. W. Hubinger of New Haven for \$1,000 she also produced Maggie Igo, that trotted a mile on the same track at 15 months old in 1:11 and sold for \$500. Don Varrick is fast game and always on the trot very rarely ever leaves his feet. In 6 weeks handling last fall he trotted a quarter on half mile track in 24 1/2. See, half in 1:10 and the mile in 2:27 1/2 on the outside of track. Please note the rich inheritance of speed on both sides, not a missing link for generation. Proud to this fellow and you can't miss the four things every breeder looks for fine disposition, speed and looks. See him before heeding \$27 mare. Season money due when mares are parted with or bred to another horse. Mares kept at 10 cents per day and all car taken, will not be responsible for accidents or escape. Don Varrick is a 2:10 trotter if he had the proper handling.

CLIFTON AND RUSSELL. Clifton is a black jack with light points, 5-years-old last September, 15-1/2 hands high with a matchless head and ear, well set on a rangy neck has plenty bone and substance and as a breeder he is not surpassed.

RUSSELL. is a black jack with light points, 5-year-old last August, full 15 3/4 hands high with as much flesh and action as a horse and as a breeder he is the equal of any jack. Both of these jacks will serve mares at \$10 to insure a living colt. Trading the mare forfeits the insurance. Care will be taken to prevent accidents, but will not be responsible should any occur. Jennets will be cared for after June 1st at \$20 to insure a living colt. **E. J. WOODS,**

My fine young mule jack will make the present season at my stable at Moreland, Ky., for \$10 to insure living colt. Mares traded or bred to other stock forfeit their insurance. A farmer of Franklin county Maine  
has been giving some testimony in re-  
gard to reciprocity and trusts. He said  
he recently paid \$15 for a plow made  
in the United States that could be  
bought in Canada for \$7.50. And the  
plow sold in Canada at half price was  
exactly the same kind of plow and  
made by the same concern as the one  
he bought. He said he paid \$100 for a  
cream separator that was being sold  
in Canada for about half that price.  
And the separator sold in Canada was  
exactly the same concern as the one  
he bought. It is strange that the peo-  
ple of the United States have patient-  
ly endured in discrimination made  
against them by the trusts so long.  
Everybody knows that they sell goods  
to the foreigner cheaper than they  
will to citizens of the government that  
gives them all their privileges.  
The sale of Russell Dillon was well  
attended. Col. J. P. Chandler cried  
the sale and the bidding was spirited.  
Tom Boone bought a nice pony and  
rig for \$167. T. Nolan bought a mule  
at \$110. Sterling Curtis bought a 4-  
year-old mare for \$100, and P. E. Par-  
rish also bought one at same price.  
Milk cows brought from \$42 to \$65,  
sows and shoats \$37 to \$55, horses  
and mules from \$75 to \$130. Every-  
thing brought a good price. Mr. Chan-  
dler tells us that the Murphy and Ac-  
ton sale at Kingsville was a good one.  
A large crowd present. Horses sold  
from \$75 to \$150, cows \$65, household  
goods sold very high.  
Parle, Scott sold a 3-year-old mare  
to Edgar Elam for \$110.  
The windstorm Saturday night did  
considerable damage in the Crab  
Orchard section, in addition to blow-  
ing the large new tobacco barn of R.  
H. Bronaugh which was covered by  
\$1,200 insurance. It also unroofed a  
stock barn on Dr. J. G. Carpenters'  
farm, and a mill shed of H. C. Chap-  
pell of near Broughtontown. Fencing  
also suffered.  
Henry Wells sold his farm of 41  
acres near Hunters Ford to Mack  
Bird for \$1,000. J. T. Manuels, the  
Crab Orchard barber, bought Mr.  
Bird's house and lot for \$600.  
Joel Wilson sold two sows and pigs  
to W. R. Matheny for \$60, bought a  
pair of yearling mule colts from H. L.  
Wells for \$110, bought a yearling mule  
from Harve Edwards for \$65. He also  
sold a yearling mule to Mr. Cress at  
\$92, and a cow and calf to J. Ham-  
monds at \$55.  
J. H. Bustle sold a bunch of 165-  
pound hogs to B. D. Holtzelaw at 6c,  
also a cow and calf to Joe Baugh for  
\$35.  
J. B. Thompson bought a nice heifer  
from Richard Williams for \$20.  
Garner Price bought a pair of com-  
ing four-year-old mules from Mrs.  
Nick McKenzie, of Pulaski for \$250.  
J. D. Eads is buying all the wood  
in the country paying the farmers  
from 15 to 20 cents according to qual-  
ity.  
B. D. Holtzelaw bought a Preston

mare for \$75.  
P. E. Parrish sold a bunch of 700-  
pound heifers to J. M. Cress at 5 cents.
